CANTINA

LIMA CANTINA

LIMA CANTINA is the younger sibling to award winning restaurant LIMA and is located in the heart of Covent Garden.

Created from a longing to capture the essence of LIMA and transport it to London, LIMA CANTINA embodies the vibrancy, tastes, and spirit of our cherished hometown.

Inspired by the bustling food markets and classic home-cooked meals found in Lima, the restaurant's sharing-style menu takes you straight into the heart of the Peruvian kitchen. LIMA CANTINA's vibe is warm and modern with a hint of nostalgia. You're encouraged to share with your friend, neighbour, or colleague.

We want your experience with us to be unique and memorable, offering a range of dining areas all perfect for corporate events, private celebrations, and cocktail receptions.

Our experienced team will be on hand from start to finish, to ensure each event is tailored individually to suit all requirements.
